Lean On Me
Words & Music by Bill Withers

N.C.

Sometimes in our lives, we all have pain.

Please swallow your pride. if I have things.

We all have sorrow, but if we are wise.

You need to borrow, for no one can fill.

We know that there's always tomorrow. Lean on me.

Those of your needs that you won't let show...

When you're not strong, and I'll be your friend.
